Fundraising update

We hope everyone enjoyed seeing the finished Christmas cards, and gifts. Thank you to everyone who ordered. Our commission so far is more than **£200!** We'd welcome your feedback on the Christmas cards and other products and will send out a feedback form early next year.

Our next big project is to contribute to the sensory/spiritual garden in development at school. We will also be coordinating community and parent/carer involvement in the work where possible. Please let us know (via Mrs Duffy), if you would like to get involved.

The Christmas term is usually very busy for fundraising, however, we are not running any events this term due to Covid and instead, aim to provide treats and gifts to help make the run up to Christmas as special as possible this year for the children!
